

Miles for Millions

725 MARCHERS RAISE PLEDGED TOTAL OF \$7,437.45

Seven hundred and twenty-five walkers took part in Drayton Valley's second annual miles for millions march last Saturday and raised a pledged total of \$7,437.45. This year's walk extended the enthusiasm shown for the in-

itial venture last spring and the 725 marchers almost doubled the 350 participants last year.

Four hundred and fifty-one of the starters completed the gruelling 25-mile course under Saturday's hot sun.

Marchers started out from the Centennial Civic Centre at 8:00 a.m. and the last checked in at 8:25 p.m. At 8 o'clock in the evening cars began the task of picking up all those still on the route.

Some of the front runners looked fresh enough to start around again but many of the later arrivals hobbled in on sheer nerve. Sunburns and sore muscles were being nursed in many homes early this week.

First to complete the course was 13 year old David Zorn, followed by Bert Duperron, also 13 and Dr. Hugh Maclure. They completed the route in 4 hours, 25 minutes, 4 hours, 35 minutes and 4 hours, 40 minutes, respectively.

Of the 725 starters, 451 completed the 25-mile walk. The 19 mile check point took a heavy toll of marchers with 53 deciding to call it off at that point.

The first two girls to complete the course were Jean Gusek, 14 and Cindy Fertig, also 14. The three youngest to go all the way were Debby Smerychynski, 9 years, Ann Coppens 8, and Randy Shantz, 6 years.

The youngest entry was Ginger Wardlow, 2 years, who walked two miles with her mother.

The oldest walker was Mr. Albert Thompson, 83, who walked 19 miles for a total of \$348.10 in pledges. Mr. Thompson still appeared in good shape at the 19 mile mark.

Check points were manned by personnel from Pembina Pipe Line Ltd., who checked marchers and provided water and first aid. Radio contact was maintained between check points and central control.

Many people provided refreshments to marchers along the route including Earl Cummins of Drayton Valley Foodland who gave away 750 soft drinks at the 11 mile mark.

Participants will be out this week collecting pledges and the march committee suggests paying by cheque if possible to avoid the possibility of loss of cash by younger marchers. Cheques should be made out to "Miles for Millions".

Proceeds from the march will go to help people in need through the agencies of OXFAM of Canada, the Indian-Eskimo Association of Canada, CARE of Canada, the Canadian Catholic Organization for Development and Peace, and the local charitable fund.

TO EMPLOY PLAYGROUND SUPERVISORS

Playground control was discussed at the last regular meeting of Town Council and it was decided to hire student supervision for selected hours during the summer vacation period.

The playgrounds suffer damage during the year and also collect considerable amounts of litter and bottles.

Council felt generally that extended control of playgrounds is almost impossible and that funds would be better spent on maintaining the grounds rather than attempting to police them during times when small children are absent.

For this reason it was decided to hire supervisors on a minimal basis to assist with games and recreation during daylight hours when young children are present.

Want-Ads for fast results.

Strung out along the town's western approach, walkers begin the gruelling 25-mile March for Millions at Drayton Valley Saturday.

First three home in Saturday's 25-mile March for Millions were David Zorn, 13 (R), Bert Duperron, 13, (L) and Dr. Hugh Maclure. David completed the course in four hours and 25 minutes; Bert in four hours, 35 minutes; and Dr. Maclure, four hours, 40 minutes.

Last minute briefing of marchers takes place at the Centennial Civic Centre minutes before the start of the great walk.

THE WESTERN REVIEW

DRAYTON VALLEY, ALBERTA
WEDNESDAY, MAY 14, 1969

Town Recreation to Remain Separate From Regional Group

Town Council, at its last regular meeting, decided to remain independent in regard to recreation programming. The town had considered the possibility of joining the Parkland Regional Recreation Council.

Council heard a report from Councillor Marvin Helm who had attended a recent meeting of the Regional Council along with Recreation Director Mike Gormley. Several board decisions were being held up, Mr. Helm said, awaiting decision from Drayton

Valley and he recommended an early decision by Town Council to allow both groups to proceed with budgeting and finalizing of 1969 estimates.

Mr. Helm noted that the Town of Stony Plain hires its own recreation director and receives a recreation grant of \$3200 from the County of Parkland for arena use.

Council's decision was to continue independently but to offer use of facilities and program assistance to the county in conjunction with the town's Recreation Board.

Some financial responsibility on the part of Parkland County for use of local facilities will be required by the town.

A change in membership of the Recreation Board was also decided by Council. The change will give the board five members from the town and two from the immediate area of the County of Parkland rather than the previous six and three.

EXECUTIVE MEETING

Executive meeting of the Drayton Valley and District Chamber of Commerce will be held at 7:00 a.m. Thursday, May 15th in the Cardium Room.

DONATO TELEGRAM SYNDICATE

SIT BACK KIDS... HERE COMES THE FIREWORKS!

Don't Buy Instant Garbage

Warm weather will soon be here. Or call it soft drink time. And more and more people will be spending more and more money for instant garbage.

Your first reaction will be, "I don't buy garbage!" -- but you do and Consumers' Association of Canada would like to point out that every time you buy the non-refundable, disposable bottles of pop you are paying for garbage.

The "one-way" bottles were first introduced just over three years ago largely due to demands by the retail trade who did not want the inconvenience and cost of storing empties, as well as the extra labor involved in sorting and making refunds for deposits.

Are you voluntarily paying higher prices to save money for supermarket operators?

In many cases you are paying for the privilege of not returning the bottles. But do you realize how much you are paying for this privilege? Think about it for a moment.

When you finish the soft drinks, you fill up your garbage can with "throw-away" bottles and the city disposal trucks pick them up. So, one might ask, what's the problem?

Today, garbage defies present disposal facilities. In the past three years, garbage has doubled so naturally it takes more men to handle it. Before long, cities will have to buy new equipment - a glass crusher for instance - to get rid of glass garbage. Now, who pays for the increased manpower and new equipment? Could it be you - the taxpayer?

As the magazine Canadian Packaging points out: "During 1968, soft drink sales accounted for about 2.6 million gross of NR (non-returnable) bottles, about 374,400,000 units. A 60 per cent increase will take that total to nearly 600 million units by the end of 1969.

Then again there are the disposable bottles tossed along roadsides, in park areas and in wading pools. Formerly returnable bottles gave the returner a dividend, however small, but now no one picks them up. They must be gathered along highways because of possible tire damage and in recreational areas because of personal injury. So again, more men must be employed to gather up the pieces; and they must be paid.

Last year, municipal organizations of four provinces urged their respective governments to prohibit the sale and distribution of disposable, non-refundable bottles now being foisted on the consuming public. It was declared that they were a serious health hazard and garbage problem.

The bottle makers feel they are being unfairly accused of being the major contribution to the littering of highways and parks. They agree there is a little problem but that critics do not base their arguments on facts. They claim the real solution to litter is public education, stricter enforcement of anti-litter laws and adequate collection and disposal facilities.

Now, why should the public have to pay for the disposal of

the extra garbage that should rightfully be the responsibility of the manufacturer and retailer?

Isn't it time for packagers, bottlers and supermarkets to accept social responsibility in this area? After all, this is just another form of pollution!

In the matter of "consumer choice" that we are supposed to have, it is becoming more and more difficult to choose because many supermarkets stock only the non-returnables. Consumers should let our supermarkets and soft drink bottlers know we aren't happy about this situation.

One way is to patronize the store that really gives you a choice. Even if you don't object to the first payment on disposable garbage - the bottle itself - how about those increased taxes?

The Consumers' Association of Canada would like to suggest that you let your voice be heard in the market-place, or accept the fact that you will continue to pay dearly for "instant garbage".

We would like your views on the subject. Write: "Disposables" Consumers' Association of Canada, 100 Clouester St., Ottawa 4

--Maritime Cooperator Moncton, N.B.

A new livestock quarantine station will be established on St. Pierre, a French island south of Newfoundland. Regulations will be identical to those at the Grosse Ile quarantine station, about 40 miles east of Quebec City in the St. Lawrence River.

TOMAHAWK NEWS

Mrs. Ed Gilbert, from Summer land, B.C., and her daughter Mrs. Ian George from Fort Smith were recent visitors at the home of Mr. and Mrs. Howard Gilbert of Tomahawk.

Grandma Richter, who is at present in the Senior Citizens home in Stony Plain, is being feted with a party on the occasion of her 95th birthday. Mrs. Richter has been a long time resident here in Tomahawk and her grandchildren and great grandchildren are giving this in her honor. The party will take place on Sunday, May 11th at the Senior Citizens Home in Stony Plain.

We would like to extend a hearty welcome to Mr. and Mrs. Elliot and family, formerly of Smithers, B.C., who are now residing in the Tomahawk district.

To Ted Berryhill's many friends in Tomahawk who have been wondering where he is and what he's been doing lately, I am happy to report the following news. Ted has just been promoted to Lieutenant on the Fire Department in Lawton, Oklahoma, where he and his family now reside.

Get well wishes are extended

to Mrs. Emma Duckett and Dale Schadeck, who at present are patients in the Drayton Valley Hospital.

The Tomahawk F.U.A. held its meeting on Thursday, May 1st at the home of Mrs. Dora Millenbacker. The Roll Call was an exchange of plants brought by each member, and those not bringing plants each received a growing onion. Mrs. Marian Jouan acted as President in the absence of Mrs. Eunice Pryor. It was decided for the farm women's Pennies for Friendship Fund, that each member donate 1 penny for each year of their married life.

The next meeting will be held at the home of Mrs. Smith. Since Mrs. Maxfield, F.U.A. Sub Director is to be present at this meeting, all members are urged to attend.

OFFICIAL WARNING TO FARMERS - SETTLERS

If you are burning brush or debris from newly cleared land or from your present fields between April 1st and October 31st

YOU MUST SECURE A FIRE PERMIT

This applies to all farmers and settlers living in Local Improvement Districts or in any forested region. Neglectful burning, or burning without a Fire Permit are punishable by law. The Forest Act and Regulations clearly state the conditions under which field debris burning must be carried out. The Alberta Forest Service will strictly enforce all forest fire prevention laws. Fire Permits are obtainable from your nearest Forest Officer and Municipal District Offices. Heed this warning — avoid penalties and embarrassment.

THE TOWN OF DRAYTON VALLEY

INVITATION TO TENDER

Sealed tenders with the words "Tender For Construction of Concrete Sidewalks, Curbs and Gutters," marked on the envelope will be received until 4:00 P.M. Mountain Standard Time, Wednesday, May 28, 1969, at the Office of the Secretary-Treasurer, Town of Drayton Valley, Drayton Valley, Alberta, for the construction of approximately 4200 lineal feet of concrete sidewalks, curbs and gutters.

General Contractors may obtain copies of the contract documents at the Office of the Town Engineer, Town of Drayton Valley, Drayton Valley, Alberta, on or after Wednesday, the 14th day of May, 1969, for a deposit of \$25.00.

Each Tender must be accompanied by a surety in the form of a bond payable to the Town of Drayton Valley as called for in the "Instructions To Tenderers" Section of The Contract Document.

The owner reserves the right to reject any or all tenders and the lowest tender will not necessarily be accepted.

Registrations Being Taken For Kindergarten Session

As of September, 1963, the Kindergarten was licensed and approved by the Department of Education. This license must be renewed each term and many specifications must be filled before the license and approval are received from the Government.

- The specifications include:
1. Employment of qualified teachers.
 2. Inspection of the room in which classes are held by the Edson Health Unit Sanitary Inspector, and also by the Provincial Fire Commissioner.
 3. The number of students in each class must not exceed twenty. The purpose of the Kindergarten is:
 - (a) To help the child (a) be responsible for himself, for his clothing, etc., and for materials belonging to the group.
 - (b) To respect the property of others.
 - (c) To contribute to the work of the group.
 - (d) To share materials and take turns.
 - (e) To form habits of courtesy appropriate to his age.
 2. Emotional Aims:
 - (a) The child is helped to control undesirable responses in varying situations such as tantrums, sulking, timidity, thumb sucking, and he is encouraged to express those that are beneficial to himself and to the group.
 3. The Kindergarten Attempts:
 - (a) To establish health habits such as cleanliness (washing hands when handling books, etc) tidiness, relaxation.
 - (b) To develop muscular control and cooperation through participation in games, rhythmic, action songs, dramatics and through improved skill in handling crayons, scissors, paste, modelling materials, etc.
 4. In the Kindergarten the child:
 - (a) acquires information concerning the world in which he lives, its people and their ideas.
 - (b) Develops his use of oral language (in both speaking and understanding).
 - (c) Broadens his interest in books and stories, dramatics, music and visual arts.
 - (d) Learns to listen to and carry out instructions.
 5. The typical kindergarten day is divided into periods loosely formed for such things as:
 - (a) Opening Exercises--Prayer, an opening song, health check, conversation show and tell, etc.
 - (b) Work Periods--learning to use the tools of school.
 - (c) Self-directed Activity--free play, toys, blocks, books, etc.
 - (d) Rhythms--singing, music appreciation, verse speaking, rhythm band.
 - (e) Indoor and outdoor play.
 - (f) Rest period.
- Any child reaching the age of five by December 31st, 1969 is eligible for Kindergarten. Registration was held on April 16th and to date 75 children have been registered. Anyone desiring to register may phone Marilyn Boles at 542-3059 after 4:00 p.m.
- An important kindergarten meeting will be held on May 21st at the FMHS at 8:15 p.m. New officers will be installed at this meeting and we are very fortunate in having Dr. J. Bishop, associate professor of Educational Psychology at the University of Alberta as guest speaker. All parents of children attending kindergarten now and parents of children who will be attending classes next term are invited to attend.

Rural Youth Seminar Planned for Klondike Days

This year's Rural Youth Seminar, sponsored by the Edmonton Exhibition Association, moves to a new headquarters.

For six years the Seminar has been held in the Youth Building on the Exhibition Grounds. But because the Exhibition's large new youth project, "It's Somethin' Else", will take over the entire

Youth Building and part of the SportEx during Klondike Days, July 17th-26th, the Youth Seminar will move to Eastglen Composite High School, 11430-68th Street.

Dates for the Seminar are Sunday, July 13th to noon Friday, July 18th.

It is open to farm young people between 15 and 21, with registration limited to 75 girls and 75 boys. Members of previous seminars will be admitted but first preference will go to newcomers.

The Seminar program involves lectures, demonstrations and competitions based on agricultural and homemaking themes, interspersed with educational

trips to city and district industrial plants, vocational schools, the Alberta Game Farm and so on. Participation in "It's Somethin' Else", will also be included.

Programs for the Seminar's last two days are tied into the Exhibition's Klondike Days schedule. Members will be guests of the Exhibition Association at a banquet July 17th and free tickets to the midway and the Starfest '60 show in the Edmonton Gardens will be available.

Beyond transportation to Edmonton, all Seminar expenses will be met by the Exhibition Association. Supervision and operation of sessions is provided by the provincial department of youth.

WABAMUN NEWS

Your gadding correspondent and her hubby are home again after enjoying a nice holiday in B.C. While away they visited at Vernon, Kelowna, Chilliwack, Vancouver, Ladner, Barkerville and Prince George.

Sorry to hear that Mrs. Julia Burton has been in the Royal Alexandra Hospital, and her son Richard is still in the University Hospital. We hope they will soon be home again.

A Confirmation Service was held by the Catholic Church here on Sunday, May 4th. There were fifteen boys and girls confirmed. Arch-bishop Jordon of Edmonton officiated. Coffee and lunch were served afterwards.

Several ladies from the Wabamun branch of the Womens' Institute attended the conference in Onoway on Wednesday, May 8th. It was a very interesting day. All went home feeling that they had learned a lot and everyone enjoyed meeting the ladies from the other branches.

Mr. and Mrs. George Zakrasky and their children moved to Wabamun from Czechoslovakia. Mr. Zakrasky is employed by the Alberta Coal Co. We welcome them to our midst and hope they will soon be accustomed to our ways here in Canada.

Eating too much fried chicken certainly can fowl up a diet.

PUBLIC NOTICE

Farm & Ranch Management Consultants Ltd. has contracted with the Government of Alberta to conduct a study of all phases of Agricultural Extension Services carried out by Government (Municipal - Provincial - Federal), Universities, Colleges, Agri-business, Co-operatives, Farm Organizations and individual farmer producers. Submissions, relevant to the study, from organizations or individuals will be welcome. Submissions should be made in duplicate by August 1, 1969, to the undersigned. D. V. Highlights

BY MRS. EDITH DEBY

Mrs. Kenneth MacKenzie writes that she and Miss MacKenzie are enjoying their holiday in England and Scotland very much indeed. While in London they were entertained by Dr. MacLure's brother and family.

Congratulations to Mrs. Leslie Oscar whose short story won first place in the Women's Institute Constituency Short Story Contest last week. We understand that if space permits, the story will be printed in the Western Review.

Mrs. Hoyland and Mrs. Lindsay Johnston took a two day jaunt out to have a look at the new Yellowhead Pass highway weekend before last and thoroughly enjoyed the outing and the fine scenery that the new road affords. Since both ladies are camera fans they will be sharing their pleasure with their friends.

Mrs. Edith Dunington paid a short business trip to Drayton Valley last week. She would not let herself be persuaded to stay for more than a few hours. What is it about this Okanagan that people must hurry back to it?

Mrs. Arthur Durham had a long distance call from her daughter, Miss Glenda Galloway, on Mother's Day. Glenda is working in the Royal Bank at Burns Lake. She likes her job and the country.

Do you remember the Dick Schells who used to live here? I had a chat with Mrs. Schell at the Librarian's Convention. She is in charge of the Ponoka Library now.

Also saw the custodian from Peace River and heard news of the Helanders and the Cambridges.

The Dunington Ladies Group raffled its quilt on Saturday. It was won by little Lorrie Mikulin, daughter of Mr. and Mrs. John Mikulin.

The ladies also sponsored Tommy Hines in the March for Millions at 50¢ per mile. Tommy

made the full 25 miles.

Old friends called on Mrs. Wiechert last Wednesday to help her celebrate her birthday. Mrs. Wiechert also received long distance telephone calls from her children to mark the event. Many more happy birthdays Mrs. Wiechert.

After fifty years in our locality Mr. Benny Shirley is leaving to return to his native United States. Good-bye and Good Luck Mr. Shirley.

Church Plans
Missions Week

Calvary Baptist Church is planning a "Missions Week" beginning Friday, May 16th and continuing through Friday, May 23rd.

The schedule is as follows: Vancouver Bible Institute gospel team, May 23rd, 7:30 p.m.; Irene and Viola Engstrom, Mexico, Sunday, May 18th, 7:30 p.m.; Rev. Bill Hagstrom, Assam, India, Tuesday, May 20th at 7:30 p.m.; and Rev. Gus Tilman, Philippines, Friday, May 23rd, 7:30 p.m.

All are welcome

MAGNOLIA NEWS

The Magnolia Saddle Club is planning to hold a work bee and weiner roast during the afternoon of Saturday, May 10th. It is also hoped to have a trail ride to start the new season.

All the children and grandchildren of Mr. and Mrs. Charles Anderson were in attendance on May 4th to help Mrs. Anderson celebrate her birthday. Despite the rain everyone enjoyed the afternoon.

A speedy recovery is wished to Mrs. N.R. Gylander who has been ill in Drayton Valley Hospital.

Mr. and Mrs. Harold Brown of Edmonton were visiting relatives in the district on Sunday, May 4th. They are departing soon for a holiday trip to Canadian and American Pacific Coastal cities, via the Rogers Pass. We hope you will enjoy your journey.

A new salesman has appeared in this area recently. He is Wade Roth, who represents Amway Products. Good luck on your new venture.

David Campbell celebrated his fourth birthday on Wednesday, May 7th with a family supper.

Mrs. D. Armstrong of Chetwynd, B.C. is spending a few days visiting at the June home.

Kevin Strangway, accompanied by his parents, attended the Cub and Scout banquet on Wednesday, April 30th in the Evansburg Community Hall. They report a very pleasant time.

Shannon Campbell participated in the Miles for Millions March in Edmonton on May 3rd. She completed the 25 mile walk and is sincerely grateful to all her sponsors from Magnolia, Gainford, Langford Park, Evansburg, Seba Beach and Burnaby, B.C. She says it was a long cold walk but maybe some child somewhere will benefit from it.

Eight dedicated teachers and students from Seba Beach High School raised a total of \$421.15 by walking a total of 179 miles in the march held in Edmonton.

Those participating included three teachers, Mr. and Mrs. K. Thiessen sponsored for \$1.60 and .60¢ respectively and Mr. R. Christensen sponsored for \$1.00 per mile, as well as five students: Noeline Burke .32¢ per mile, Chris Burke .35¢ per mile, Nancy Wirstiuk \$2.70 per mile, Betty Hutchinson \$3.20 per mile and Shannon Campbell who was sponsored for \$7.63 per mile.

The walkers wish to thank their many sponsors, including businesses, organizations, teachers, students and individuals.

We who walked all hope that the money raised arrives at its destination and is used to help people who are less fortunate than we.

An elderly lady driving along nonchalantly turned a corner and ran over a university student who was crossing the street.

Without change of emotion the old lady pulled up on the other side of the victim, called "Young man, you'd better watch out."

Rising on one elbow, the trembling youth exclaimed, "My gosh, lady, don't tell me you're going to back up."

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending May 10, 1969 provided by the Livestock Division, Canada Department of Agriculture.

RECEIPTS	CATTLE	CALVES	CATTLE	CALVES	HOGS	SHEEP
This Week (est.)	6600	5340	1260	1500	220	
Last Week	5740	4700	1040	1800	24	
Same Week 1968	4975	3925	1050	2100	115	

SUMMARY: Receipts were up and trade was active throughout on a rising price structure on all classes with the exception of bulls.

Slaughter Cattle: Steers continued to strengthen this week with prices levelling off somewhat at mid week. Prices advanced to about \$1.50 on all slaughter steer classes with choice steers selling at 32.10. Butcher heifers were generally scarce throughout. Heifers opened steady but advanced 50¢ at mid week to close at the higher level. There were no strictly choice heifers on offer on closing sales. All classes of cows sold readily with prices advancing \$1.50 by mid week. At the close of the week prices dropped off slightly to sell at a practical top of \$24. Bulls opened steady with prices easing off slightly at the close.

General quality was good throughout with approximately 50% of the slaughter cattle considered eligible for the red and blue brands.

Replacements: There was a continuing strong demand for all classes and weights of replacement cattle and calves. Good feeder steers sold strong throughout with the heavier weights \$1 higher by mid week. Stock steers continued to sell strong. Stock heifers sold 50 to \$1 higher at the close. Stock calves sold fully steady throughout.

Last week's shipments off the Edmonton yards: East 85 for slaughter, 500 for feeding. West 440 for slaughter. To Southern Alberta 1166 for feeding.

(Closing Sales)

SLAUGHTER CATTLE
Choice steers 31.50 to 32, good 30.50 to 31.50, medium 28.50 to 30. Choice heifers 29.50 to 30, good 29 to 29.50, medium 27.50 to 28.50. Good cows 23 to 24, medium 21 to 22.50, canners, cutters and shells 16.50 to 18.50. Good bulls 21 to 22.50.

REPLACEMENTS
Good stock and feeder steers (550 to 750 lbs.) 32 to 35, (750 lbs. up) 29 to 31.50. Common to medium 25 to 29. Good stock and feeder heifers 26.50 to 29.50. Common to medium 22 to 26. Stock cows 19 to 24. Good stock steer calves 34 to 38, common to medium 26 to 33. Good stock heifer calves 30 to 33, common to medium 22 to 29.

AQUATIC COURSE

The 1969 Provincial Aquatic Workshop, sponsored by the Recreation Branch, Alberta Department of Youth in co-operation with seven provincial aquatic associations will be held at the University of Alberta, Edmonton, from May 30th, to June 8th.

Two reasons why women don't wear last year's dresses? They don't want to and they can't.

Counsel and Insurance Surveys No Obligation

Marching through town last Saturday afternoon are these members of Elks Lodges in town for the District 13 annual spring meeting. Delegates from seven lodges took part in the day's activities.

Summary Regular Meeting Parkland County Council

Summary of a continuation of previous County of Parkland Council meeting held in the County Office in Stony Plain on Tuesday, April 29th.

Members present were Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors Robert A. Bailey, Roy Lent, Ivan Vowk and George Mann.

Mr. Ellis Hillyer, Building Maintenance Supervisor met with the Council for the purpose of discussing general maintenance procedures and arrangements. It was agreed to purchase two new Ford half-ton trucks from Fuhr's Mercury Sales Ltd., of Spruce Grove at a price of \$2,492.50 each.

The financial statement for the month ending March 31, 1969 was accepted.

NUISANCE GROUND AGREEMENT

Agreement for the joint purchase by the County and the Town of Stony Plain of 90.5 acres in the SE 35-52-1-5 for joint nuisance ground purposes was accepted subject to the following changes: 1. Paragraph three (3) to be amended by striking out "the size and construction thereof to be agreed upon by the parties hereto." 2. The first line of paragraph five (5) to be amended to read "The said property shall be managed jointly by one representative from the Town and one representative from the County."

It was agreed that the Public Works Department be authorized

to purchase twelve protective hard hats and that employees be required to pay a \$5 deposit when they obtain one of these hats.

It was also agreed to purchase ten small first aid kits to be placed in all County owned trucks.

LAND UTILIZATION

JACKPINE GRAZING RESERVE Letter dated April 28th, 1969 from the Department of Lands and Forests was read to the Council advising of grazing reserve land utilization in reply to a request submitted as directed by the assembly of the last annual meeting of ratepayers. It was agreed that a copy of this letter be forwarded to Mr. E. W. Phillips of Seba Beach.

Notice received from the Provincial Planning Board that a hearing has been scheduled for May 12th, 1969 in connection with an appeal submitted against the decision of the Interim Development Board with respect to a proposed subdivision in the SE 18-53-25-4. It was agreed that Councillor Miller be authorized to attend this hearing.

BOARD REPRESENTATION STONY PLAIN MUNICIPAL HOSPITAL DISTRICT AND DRAYTON VALLEY MUNICIPAL HOSPITAL DISTRICT

Letter dated April 24, 1969 from the Department of Health was read to the Council with the following recommendations:

1. That the membership on the Board of the Stony Plain Municipal Hospital District be reduced from seven to five members due

to the reduction in the area of the District. It was suggested that representation be as follows: County of Parkland No. 31 -- 2 members; Town of Stony Plain -- 2 members; Village of Spruce Grove -- 1 member.

2. That due to the increase in area of the Drayton Valley Municipal Hospital District the membership be increased from six to seven with the following representation: County of Parkland No. 31 -- 3 members; Town of Drayton Valley -- 2 members; Village of Entwistle -- 1 member; Town of Lodgepole -- 1 member.

On motion of Reeve Zander it was agreed to request that if the membership on the Stony Plain Municipal Hospital Board is reduced to five the representation be as follows: County of Parkland No. 31 -- 3 members; Town of Stony Plain -- 1 member; Village of Spruce Grove 1 member. It was agreed that the suggested membership on the Drayton Valley Municipal Hospital Board be accepted.

A request for approval of plan covering construction of a power line to provide service to a subdivision in the NE 17-51-26-4 Calgary Power Ltd. was approved.

Three applications were received for the position of Janitor for the Keepphills School. It was agreed that the application of Mrs. P. Basiuk of Keepphills be accepted.

A request for refund of overpayment of recreational facilities grant in the amount of \$2,907.30 from the Department of Youth was approved.

Offers to purchase Pt. SE 21-51-27-4 (1 acre) were received as follows: Mr. W.H. Adolph, R.R. 1 Spruce Grove, \$500; Mr. R.G. Bailey, R.R. 5 Edmonton, \$1200. It was agreed that the high offer of Mr. R.G. Bailey be accepted.

STANDARD COLOR FOR COUNTY VEHICLES It was agreed to adopt Dark Green as the standard color of all County vehicles being purchased in the future.

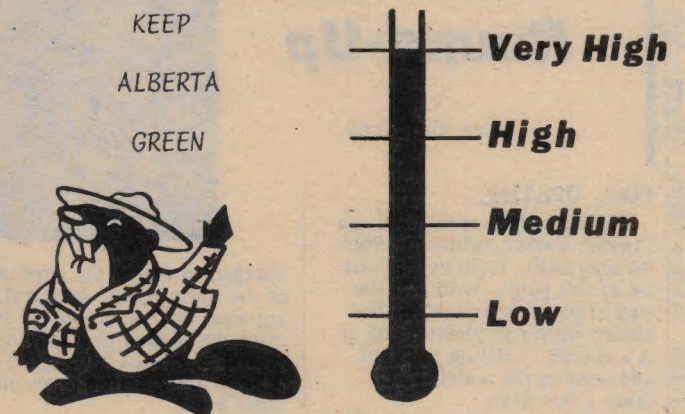

Application to lease the SW 13-50-8-5 from Mr. R.E. Guyon of Drayton Valley was accepted for 1969 for the amount of the current taxes.

Offer to purchase Lot 9, Block 9, Plan 4956 AR, Wabamun for the sum of \$300 from Mr. Alex Sojat of Edmonton was not accepted for the reason that the County owns a block of lots in this area to be retained for future school purposes.

Offer to purchase Lots 17 & 18, Block 8, Plan 4434 AO, Fallis from Mr. Anthony Paish of Evansburg was accepted.

Offer to purchase the old shack (Cont. on Page 12)

FIRE DANGER INDEX

INFORMATION SUPPLIED BY:
ALBERTA FOREST SERVICE
LODGEPOLE, ALBERTA

Heavy Loss in Farm Fire Monday

Fire late Monday evening caused heavy damage on the farm of Kenneth MacKenzie in the Easyford district north west of Drayton Valley.

A large barn, milk shed, chop house and between 60 and 70 hogs were lost in the fire that threatened other buildings before being brought under control.

The county fire truck responded to the alarm, and although unable to save the buildings, was able to prevent spread of the blaze.

POOL OPENING

The scheduled opening of the Drayton Valley Swimming Pool for May 24th, looks very realistic at this point. Work, in the way of painting and repair has almost been completed, now it is a matter of filling the pool and heating the water which takes a few days.

The Pool Supervisor Linda McMorris will be on duty about the middle of next week to start preparing the summer program. All the hiring of pool staff has been finalized and all is in readiness and as soon as the pool water reaches 78 degrees we're off on another swimming season.

Pool Cashier, Rubyrose Vig will be on duty starting Tuesday, May 20th, to sell season tickets prior to the pool opening. Registrations for the Red Cross swimming instruction program will also start next week. The charges for swimming this season will be exactly the same as in 1968. For season tickets, a family ticket goes at \$25, an adult ticket will be \$10 and it will be \$7 for a child. Single admissions will be as follows: adult 50¢, student and child 25¢ per swim. In the Red Cross swimming instruction program, the charge will be \$5 for nine lessons of 45 minute duration plus one pre test followed by the official Red Cross examination of the candidate. An examination fee of 25¢ each is

charged to defray the expenses of the examination material. In any case any candidate for swimming instruction must pay the required admission fees to the pool whether on seasonal or an individual basis.

The Early Bird swim from 6:30 a.m. to 7:30 a.m. will be resumed this season after being dropped from the pool schedule in 1968. The members of the Early Bird Club pay an extra fee for the privilege of swimming at this time. Anyone interested in joining the club and taking an early morning dip should get in contact with Mrs. Wilma Steeves or Dr. Hugh MacLure. The early swimming will start soon after the official opening of the pool.

SOFTBALL - BASEBALL

It's softball for the girls and baseball for the boys. Interest is keener in girls' softball than it has ever been here. Presently we have teams going at three levels, 14 to 18 years, 12 to 14 and a 9 to 12 group. Bruce Cable opens the season for his Senior Girl's team on Wednesday evening when Darwell is the host team. Mr. and Mrs. D. McCutchin are coaching the Junior Girls and we hope to have some games for this group with teams from the sur-

rounding district in the near future.

We are getting things sorted in the baseball program. We have three teams playing in the Oilfield Minor Baseball League at the Midget, Bantam and "Little Canadian" levels. Over and above this we will have a local league of three or four teams for the Little Canadian level and at least a couple of teams playing locally at the Pee Wee level. (6-9 years.) If enough interest is evident we will form a second Bantam team, however, to date we have had only a very few over and above the requirements for one team.

MILLIONS MARCH

The March for Millions was a great success locally. Two thirds of the 725 registered walkers returned to the starting point after completing twenty-five rugged miles. All the marching was worth \$7,437.45 and a total of 14,958 miles were walked on Saturday.

Congratulations to David Zorn, Bert Duperron and Dr. Hugh MacLure who were the first to complete the 25-mile grind in that order. Also congratulations to the great number of young persons who walked, especially to Randy Schultz, who at the age of 6 years completed the 25-miles in great style; and to someone not so young, Mr. Albert Thompson, 83, who walked a brisk 19 miles before he called it a day.

It was quite a day - a lot of fun - for the first twenty miles or so.

ENTWISTLE NEWS

Mr. F. Challborn and Mrs. Betty Sutherland have been taking a four week seminar in Science in Edmonton.

Mr. and Mrs. F. Bancroft, Gwen and Don Campbell spent the last weekend in Provost visiting Mrs. Bancroft's sister and brother and their families.

Despite the weather the Entwistle Home and School Tea was a real success with a large number of articles to be sold. The Mother's Day Table was sold out before the day ended. The door prize was won by Norine Nelson and the raffle was won by Dave Gylander. The tea committee wish to thank all those who worked, donated or helped in any way

to make our annual tea a success. A special thanks to Mrs. Jackie Smith for the numbers rendered by the Glee Club which all of us enjoyed very much.

At the tea, a doll with a numerous amount of clothes was displayed which will be raffled for the Entwistle Library. This raffle will be drawn for at the Entwistle Community Bingo on June 19th.

Dianne and Bob Richardson spent the weekend with Dianne's parents Mr. and Mrs. George Hamar.

Mr. Jack Roy and Blain of Grande Prairie were unexpected visitors at the Oliver home on May 7th. Their visit was enjoyed by Mr. and Mrs. Oliver.

PUBLIC NOTICE

BY-LAW No. 1969-2

By the Board of Trustees of The Edson-Stony Regional High School District No. 2 of the Province of Alberta.

WHEREAS it is deemed expedient by the Board of Trustees of the Edson-Stony Regional High School District No. 2, of the Province of Alberta, that the sum of One Million Three Hundred Fifty Thousand dollars should be borrowed on the security of the said School District by the issue of Debentures repayable to the bearer in Twenty-Five (25) equal consecutive annual instalments with interest at the rate of not more than eight per centum per annum for the following purposes, namely:

Constructing a masonry High School building in Evansburg to consist of:

- 8 general classrooms
- 3 science experience classrooms
- 2 science preparation rooms with storage facilities
- 3 ancillary rooms
- 1 language laboratory
- 1 library
- 1 - 2 station Home Economics room
- 1 - 2 station Industrial Arts room
- 1 Gymnasium area with storage room, stage, physical education office, shower and dressing rooms
- Administrative centre with Principal's office, Vice-Principal's office, counselling room, secretarial and general administration office and conference room
- 1 Merchandising room
- 1 Typing room
- 1 Multi-purpose room
- 1 Infirmary
- Staff room, staff work room and staff lavatories
- plus such other non-instructional areas as are deemed necessary to provide a functional educational unit and fall within limitations set forth in the Regulations under the School Buildings Act.

1. All the above at an estimated cost of \$1,120,000.00 including architects fees, water supply and sewage disposal system,

2. Site developing and landscaping at an estimated cost of \$30,000.00,

3. Providing furniture and equipment at an estimated cost of \$200,000.00,

on "Block J Plan 4997 E.O.", "Block 3 Plan 482 C.H.", and "Block 7 Plan 1187 C.L.", Village of Evansburg.

THEREFORE, notice is hereby given by the Board of the said School District that unless a poll of the proprietary electors of the said School District for and against the said debenture loan is demanded as provided by The School Act, the said Board will apply to the Local Authorities Board for authority to borrow the said sum by debentures.

Of which all persons interested are hereby notified, and they are required to govern themselves accordingly.

George Monsma
Chairman

Dated at Stony Plain, Alberta this 5th day of May, 1969.

NOTICE: Section 46d of the School Act has been amended by striking out subsection (1) and by substituting the following:

46d. (1) Part VIII applies, mutatis mutandis, to a regional high school district and to all participating parties to the agreement establishing the district as if the district were a division.

INSTRUCTIONS TO PROPRIETARY ELECTORS IN A SCHOOL DIVISION

A poll may be demanded in a School Division by a demand signed by

- five proprietary electors, or
- fifty percent of the proprietary electors,

whichever is the lesser number, of each of at least twenty per cent of the districts in the division. The demand for a poll shall be in the form prescribed by the minister and must be delivered to the secretary of the division or, in his absence, to the chairman of the board of trustees, within fifteen days after the date of posting or of the last publication in a newspaper of this notice.

Proprietary elector means an elector who is liable to assessment and taxation for school purposes in respect of property situated in the School Division.

WEEKLY VIEWPOINT

A series of brief meditations for the readers of The Western Review prepared by the clergy of the Drayton Valley Ministerial Association.

KEEP ON THE MARCH

BY REV. DONALD SNELL

The past few days we have heard such phrases as: Are you walking? How much are you sponsored for? How far are you going? and not that the "March" is over, how far did you go?

These are good questions to ask ourselves about Christianity.

Jesus promoted a challenging march when He said, "Go to all the world and preach the gospel to every creature." Moffat trans. Mark 16:15.

We have an obligation to share the gospel to the whole world but the decision of whether we GO or not is a personal one. Time marches on and we have little to say about it. However, we can poke our heads in the sand like the ostrich or we can take flight like the eagle and view things from a lofty perch. The Christian Church is still on the march. She needs people with

the dedication and endurance which we see manifested in these other marches. People with a united effort to serve God and our fellowman, to give encouragement one to another, to share along the way, talk about their sponsor - Christ Jesus, check with the Holy Spirit all along life's road as to the proper direction to take. The Christian Church needs to recapture some of the enthusiasm demonstrated by the masses preparing for the march. The spirit of doing things together as a community. The determination to press on towards the goal regardless the uncomfortable feelings that remind us of our humanity. Keep on the march - sin and evil are ever present and must be dealt crippling blows. Join the Christian Church as she marches forward against false teachings and moral deterioration

BREWERY GROUP DONATION BOOSTS UNIVERSITIES FUND

A donation of \$50,000 from Canadian Breweries Ltd., has given a further boost to the Alberta Universities Capital Fund Campaign, which is aiming to raise \$25,000,000. over the next five years for urgently needed capital expenditures at the three universities in the province. This contribution brings to \$3,500,000 in private funds already contributed to the campaign, which will be matched dollar for dollar by the Provincial Government.

Presentation of the Canadian Breweries donation was made by A. J. Fitzgerald, General Manager for the Alberta subsidiary of the Company, to Dr. A. W. Platt, Provincial Campaign Chairman. In making the contribution Mr. Fitzgerald emphasized that Canadian Breweries had made the gift because of their sense of corporate responsibility to higher education, and that the money was not designated to any specific university.

The Canadian Brewery award was made on behalf of its brand companies in Alberta: Carling Breweries (Alberta) Limited, Calgary Brewing & Malting Co. Ltd., Bohemian Maid Brewing Co. Ltd., Brewers of O'Keefe Products in Alberta, of Edmonton.

BERRYMOOR NEWS

Get well wishes are extended to Mrs. Andrew Schneider who has recently been a patient in the Drayton Valley Hospital.

Recently Mrs. Olga Van Ember and family had visitors from Barrhead. They were Olga's aunt and uncle, Mr. and Mrs. Julius Reich.

Mrs. Florence Johnston had a brief stay in hospital. We hope that you are feeling better now, Florence.

Congratulations to Mr. and Mrs. Stanley Sunderlund of Lindale, who were married on Saturday, May 10th. Their wedding dance was held in the evening at the Lindale Hall and was well attended.

We offer our sincere congratulations to all those who walked in the "Miles for Millions" march in Drayton Valley on May 10th and a special bouquet to those who completed the course. We aren't aware of any local entrants in this march but there were a number from Buck Creek who gave a good account of themselves.

Mr. and Mrs. W. Joneson and family from Edmonton spent the weekend at their farm home.

The Lindale Gymkhana Club held their first event of the sea-

son at their grounds near the Lindale Hall on Sunday, May 11th. We understand that this event was very much of a success with a big crowd of spectators and a large number of horses and riders.

Mr. and Mrs. Howard Cartwright and family from Whitecourt were Sunday visitors at the home of Mr. and Mrs. J. Thatcher.

Mr. and Mrs. Alf Rode and family from Carstairs were Saturday visitors at the home of Mr. and Mrs. Harvey Van Ember. Alf also visited with Donald Martin. He and Donald worked together a number of years ago, when the Rode family lived in the Berrymoor district.

Mr. and Mrs. Edward Van Ember and family and Mr. and Mrs. Albert Pischke and family were Sunday guests at the home of Mr. and Mrs. Eric Pischke of Tomahawk.

We see that Earl Lawson is the proud owner of a sparkling new pick up truck. Very nice Earl.

Student dropouts who drive around in hotrod cars are apt to become little red riding hoods.

of our day.

Jesus asked his disciples to lift their eyes and to look at the fields white already to harvest. Onward Christian Soldiers marching as to war, With the cross of Jesus Going on before! Like a mighty army Moves the church of God: Brothers, we are treading Where the saints have trod! We are not divided, All one body we, One in hope and doctrine, One in charity.

Keep on the march! Worship, Pray, Search the Scriptures -- for we are marching to Zion the beautiful city of God. Christ sponsored us for this march by going to the cross. We must make the decision as to whether we will march or not. How far will you go?

Go to all the world---Keep on the march.

KEEPPHILLS NEWS

Congratulations to Mr. and Mrs. Stan Pledge (nee Ruth Schweitzer) on the birth of a baby girl, Sandra Marilyn, at the Royal Alexandra hospital in Edmonton. She weighed 6 lbs. 7 ozs.

Harry Lauder arrived in Edmonton on Sunday from Seattle on his way to Alaska. His parents Mr. and Mrs. Bill Lauder had made plans to leave Edmonton on Monday to visit Harry and family at Seattle.

Mrs. Roy Schweitzer was quite ill last week but is feeling better now.

Laura and Eddie Bacon are moving into the Keepphills area on the Herb Heap farm. Doug Brown from Stony Plain will be moving into his own home in the Highvale area.

Mr. and Mrs. G. Raymond celebrated their 46th wedding anniversary on Monday, May 5th.

Mr. and Mrs. Paul Basiuk are the new janitors at the Keepphills School.

Brian Hare from Eastern Canada has taken a job with the P & E Ranch for the summer.

Summary Regular County Meeting

(Cont. from Page 9)

situated on Block D, Plan 5095 ET. Fallis from Mr. Adolph Strocher of Fallis was accepted provided that the building be demolished or moved out of Fallis onto farm land.

Mr. Norman Jespersen of Stony Plain was present at the meeting and requested construction of an approach to the SE 25-53-1-5. Referred to the Public Works Committee for inspection.

REQUEST FOR COMPENSATION

Mr. J.R. Mott of R.R. 5, Edmonton requested payment of \$700 compensation for 17 feet of land on the east side of the NE 19-51025-4 and burrow pits. It was agreed to pay this amount as compensation in full in connection with a road widening agreement with Mr. Mott.

The meeting continued on Wednesday, April 30th.

Members present were Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors Robert A. Bailey, Roy Lent, Ivan Vowk and George Mann.

REQUEST FOR AMBULANCE SERVICE

Letter dated April 24, 1969 from the Lutheran Home Society was read to the Council requesting that ambulance service be provided in the County. It was agreed that this request not be considered due to the cost of the service requested compared with the services provided to ratepayers of the County.

A request for approval of plan covering an extension to provide power service to a radio repeater station in the NE 1-52-6-5 from Calgary Power Ltd. was approved.

A request for gravelling of the road west of the NW 14-53-3-5 from Mrs. Edna Hohnstein of Edmonton was approved.

A request for an access road to the SW 16-51-4-5 from Mr. Cliff D. Kulak of Edmonton was referred to the Public Works Committee for inspection.

Texaco Canada Ltd. submitted a quotation to supply fuel to a location at Campion Corner for 20 cents per gallon for gasoline and 17 cents per gallon for diesel fuel. This quotation was accepted.

FLOODING COMPLAINT

DR. W.S. Neiwhas of Edmonton by letter dated April 17, 1969 was read to the Council advising that he will be submitting a claim for damages caused by flooding on Lot 11, Block 3, Plan 2059 Q, Whitewood Sands. It was agreed that this be referred to the County insurers for attention.

Requests have been received from various organizations to purchase chairs sales tax exempt through the County. It was agreed to not entertain these requests as the position of the County may be jeopardized.

Fire Chiefs William Wickware of Tomahawk and Hubert Fore-cast of Entwistle reported that upon inspection of the powerline right-of-way across the NE 8-53-4-5. They found that it needed cleaning up and spraying to elim-

inate an existing fire hazard. It was agreed that a copy of the report be forwarded to Calgary Power Ltd.

COMMITTEE REPORT

Written report by a Committee of the Council dated April 21, 1969 was read with the recommendation that 5,000 copies of a brochure to advertise the County be prepared at a cost of \$1,475.

The EMO Financial Assistance Budget was received which provides for a total expenditure of \$3,347 of which \$418.38 is to be borne by the County. This program was accepted.

A request for permission to cut firewood on the road allowance west of the NW 17-51-25-4 was received from Mr. Dennis Mott of R.R. 5, Edmonton. Permission granted subject to the condition that all cuttings are cleaned up and removed or burned.

RENTAL OF OFFICE SPACE

It was agreed to rent 600 square feet of office space from Pembina Projects Ltd. in Drayton Valley for a period of six months at a rental rate of \$150. per month for the County Police Department.

A request for road maintenance in the summer village of Silver Sands from Mr. N.S. Kennedy, Official Administrator, was referred to the Public Works Committee for inspection.

It was moved by Councillor Vowk that Lyle Akins and Arthur Kidner be employed as construction foremen under the supervision of general foreman, Edward G. Webber. The motion carried with Reeve Zander voting against the motion.

It was moved by Reeve Zander that road construction within subdivisions and other road construction be separated for purposes of supervision. The motion was defeated.

The meeting reconvened on Friday, May 2nd.

Members present were Reeve Rudolph Zander, Deputy-Reeve Leslie N. Miller, Councillors Robert A. Bailey, Roy Lent, Ivan Vowk, and George Mann. A number of machinery salesmen were present at the meeting at the request of the Council as

consideration was to be given at this meeting to purchase of a crawler tractor and front end loader.

PURCHASE OF CRAWLER TRACTOR

It was agreed to purchase one new Caterpillar D7E Power Shift Tractor complete, including Hydraulic Cable Control Unit for the sum of \$60,654.00 less trade-in of one used International TD20 Crawler Tractor for the amount of \$9,654.00, net purchase price \$51,000.00 from R. Angus Ltd. of Edmonton.

It was agreed by representatives of the Town of Stony Plain and the County that a road be constructed across the parcel of land being used for nuisance ground purposes rather than constructing a road on the road allowance along the east side.

It was agreed to purchase one Allis-Chalmers Model 545H Wheel Loader from Costello Equipment Company Ltd. of Edmonton for the sum of \$24,159.00.

It was agreed that Mr. Herman Hardekopf of Rocky Rapids be employed as caretaker of the Easyford Park at a salary of \$65 per month.

Mr. Albert Thompson, 83, walked 19 miles in Saturday's march for a total of \$348.10. He is shown here with Mrs. Ken Wardlow and the youngest walker, Ginger Wardlow, two years, who completed two miles before tuckering out.

RAMONA NEWS

Several youngsters around the district walked in the "Miles for Millions" march on Saturday. Most of them walked the whole 25 miles. Hats off to you all.

I hope the mothers in the district had a very good day on Sunday.

We were talking to Bill Woodruff on Saturday before he left on the 25-mile hike and he said he had a nice holiday in California. Bill says flying is the only way to travel.

There's a new face in Rocky

LODGEPOLE NEWS

The Annual Father and Son Cub and Scout Banquet was held on Monday evening with around sixty guests present. Mickey Nelson received the Scout of the Year award. Gifts of cuff links were presented to the club masters and assistants. Mr. R. Nelson and Mr. R. Knapp received five-year service pins.

Mrs. F. Joesting has returned from a pleasant six-week holiday in Germany. The weather was cold and wet. A cup of coffee is 20¢ over there.

Mr. H. Palmer had his truck stolen at work. It was found later with some parts removed.

Several local young folks took part in the Miles for Millions march. Lois Elliot walked for \$156.00 and wishes to thank all her sponsors for their support. Other successful walkers were Janet Lillico, Jerry Baker, Darryl Williams, Paul Harrington, Leslie Schultz, Debbie Beath, Keith and Ricky Kyle and Valerie Archibald. Some didn't complete the trip but all enjoyed taking part.

Connie: "He's so romantic. Every time he speaks to me he says, 'Fair lady.'"

Bonnie: "Romantic, my foot! He's in training to be a bus driver."

COMMUNIQUE

In a recent consumer bulletin it was noted that two merchants were convicted of misleading price advertising.

One was a jewellery manufacturing company who had ticketed jewellery with \$25 tags. The store then advertised the items at \$4.95 - a real bargain - except that other stores were selling the same sets for \$3.49 and \$4.95.

Another incident involved a children's clothing store who crossed out a price of \$3.95 and substituted a price of \$2.99. It would appear to be quite a saving; however, other stores were selling the same garments for \$2.99.

Most of the misleading pricing appears in newspaper ads and on labels. You've probably seen similar gimmicks yourself.

Recently, a manufacturer of a very well-known shampoo was prosecuted for advertising their economy size product as "Special \$1.49" for 2 years. An unwary shopper might conclude he was being offered the economy size for less - which he was not.

The brand of shampoo that I buy has a similar "come-on". The label says "\$3.00 value" for \$1.49 and it's been that way for 3 or 4 years.

I shopped in one of those warehouse discount food stores the other night. You can save on some things, but not on others. And just to show you that the large size is not necessarily cheaper, rice in the 48 oz. box was more than double the price in the 24 oz. box.

One practice I'd like to see changed is that of labelling items "special", "today's special" and "advertised special" when they are being sold at the regular price.

With the new Consumer's Affairs branch the little old con-

sumer does have a chance. I've been amazed at the trouble the department goes to when you send them a letter - whether a complaint or a suggestion. Do try to document with date of purchase, name of retailer and address of manufacturer where possible.

The Minister of Consumer Affairs say the consumer demands honesty in the market place. Our society has rejected the old concept of let the buyer beware in favour of let the seller take care.

Extend Thanks

4-H Clubs Plan Spring Activities

The Pembina Field Crops and Lobstick Beef Clubs held their 8th regular meeting on Friday, April 25th at the Evansview School, Evansburg. The clubs discussed and planned several projects to be undertaken this spring, including the building of a float to enter into the Klondike Days Parade in Edmonton, thematic display and a tour of the Provincial Museum and Archives Building and the Nisku Airport on May 10th. A tour of members calves will also be held in the near future.

The Beef Club members recently attended the annual 4-H Beef Judging Competition held at the Cormie Ranch, where they were asked to judge bulls, replacement heifers and feeder steers. Thanks are extended to the management of the Cormie Ranch for the use of their animals and facilities, and also to Mr. Garry Miller and Mrs. Richard Lowe, who gave their placings, justified them, and therefore gave members an idea of how well they scored.

This beef judging day was the

third large interclub activity organized by the Stony Plain District 4-H Council. The first was the 4-H Rally held in late February, in which eleven clubs participated. A record turnout of approximately 400 people packed the Evansburg High School gymnasium. The tremendous success of the evening was attributed to the variety and the quality of the skits, mini-dramas, and musical entertainment. The second activity planned was the Public Speaking Competition held at Duffield last month.

Members were reminded that the date of the next meeting is May 15th.

Everything is the biggest in Texas! A Texan complained of having the biggest bellyache in the world, so he was rushed to a hospital in Baytown, Texas. He turned out to be right too, being relieved of a 9-inch appendix--7 inches longer than normal and perhaps the longest in medical records.

PESTICIDES ARE POISON! HANDLE WITH CARE

VINELAND, Ontario -- Sometime within the next few months you will probably use a pesticide.

It may be an aerosol spray bomb for killing flies or mosquitoes, dust to prevent mildew or leaf-spot on roses or maybe a weed-killer to rid your lawn of dandelions. Whatever it is, remember a pesticide is a poison and such must be handled carefully and sensibly.

"Pesticides are tried and tested for several years before being registered under the Pest Control Products Act," says C.M. Simpson, an insecticide specialist at the Canada Department of Agriculture's Vineland Research Station. "They are effective for the purposes claimed and safe when used as directed."

"However, before using any pesticide," he warns, "read the label, and refer to it again before each subsequent use. Observe all precautions listed and be especially careful of the time interval between its last use and harvest when it is being used on or near a food crop."

Mr. Simpson emphasizes the following important points for users of pesticides:

--Use the correct chemical for the job and measure all amounts carefully. Too much may be harmful and too little ineffective. DO NOT USE household utensils when measuring pesticides. Instead, keep specially marked ones for pesticide use only and keep these stored with spray materials.

--Keep containers tightly

closed and NEVER in unmarked or open bags, boxes, cups or cartons. If a label is lost or damaged it is safer to discard the package than to guess at the contents or the amount to use.

--Keep all chemicals in a locked room or cupboard, well out of reach of children. Never re-use empty containers. Burn paper ones and bury glass or metal types where they will not contaminate any water source. Left over pesticides should be destroyed in the same manner. They should not be put out with the garbage or left in public dumps.

--Do not smoke when handling or using pesticides. Wear gloves and other protective clothing and avoid inhaling dust or sprays. If any pesticide is spilled on the skin, wash at once with soap and water, and always wash thoroughly before eating.

--Don't let children or pets play nearby when using pesticides and avoid drift onto non-target crops or areas.

A herbicide (weed killer) may be fine for grass in a driveway or fence-line, but it also may kill grass in your lawn or much worse your neighbor's lawn.

An insect bomb, used inside, may effectively rid your room of insects but it can also stain walls and damage fine fabrics and contaminate food unless used with care.

Pesticides are poisons, but they are necessary if we are to maintain the high standard of living which they have helped bring about. More information on Pest-

icides is available in a Canadian Agricultural Chemical Association publication called, "Pesticide Safety Handbook," which may be obtained free of charge from area agricultural representatives and extension specialists. If accidental pesticide poisoning should occur, call a doctor at once or contact one of many poison control centres in Canada, and identify the chemical used.

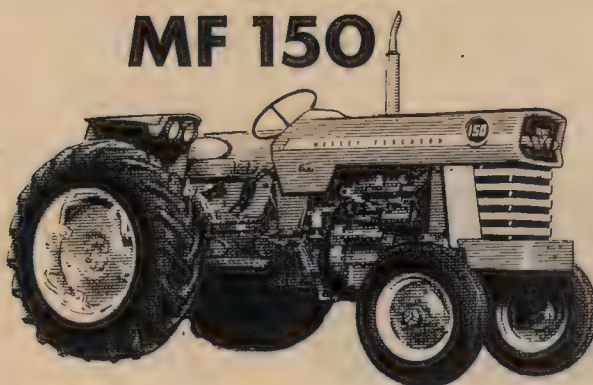

When handled and used carefully, pesticides are of great benefit to all of us and, says Mr. Simpson, by observing these few basic safety rules you may use them safely to help have a pest-free summer.

A minimal daily exercise program for women should include exercises for the abdominal area (leg lifts or sit-ups) and a brisk, 15-minute walk. The benefits resulting from these exercises are not normally included in a woman's working day. Getting out of the house could be psychologically beneficial as well.

Sekura Auctions Price Summary

With a good run of cattle on offer, prices held firm.
Stocker steers traded from \$35 to \$40 per cwt.
Stocker heifers sold from \$27 to \$34 per cwt.

Medium Butcher Steers traded to \$30 per cwt.
Stock Cows sold up to \$272.50 per head.
Weiner hogs traded from \$14 to \$19 per head.

This is "bigness" seldom found in a 3-plow tractor.

Compare the fuel economy of the MF 150 with any competitor in the "under 40 horse" class and you'll find it can't be beat. Add such features as traction-boosting Pressure Control, Advanced Ferguson System hydraulics, independent PTO, power steering, power adjust wheels, full instrument panel. Float-O-Matic seat, and larger capacity fuel tank and you'll see why this big Massey-Ferguson is so far ahead of the rest.

MAIN STREET

Ask most any husband—homemade pickles are the easiest kind in which to get involved.

The usual crowd of small boys was gathered about the entrance of a circus tent in a small town one day, pushing each other and trying to get a glimpse of the interior. A man standing near watched them for a few minutes, then walking up to the ticket taker, he said with an air of authority, "Let these boys in, and count them as they pass."

The gateman did as requested, and when the last one had gone he turned and said, "Twenty-eight, sir."

"Good," said the man, smiling as he walked away, "I thought I guessed right."

Track Meet Friday, May 23rd

The Annual Tri-School Track Meet will be held on May 23rd from 9:30 a.m. to 3:00 p.m. at the Lions West Valley Park in Drayton Valley. The participating schools are Lodgepole, St. Anthony's and Drayton Valley Elementary and Jr. High School pupils from Grades 5 to 9. Refreshments will be available. If the weather is inclement, the alternate dates are May 26th and May 30th. All persons interested are cordially invited to come out and cheer for the eager participants.

British Regiment Trains in Alberta

EDMONTON -- A famous infantry regiment of the British army will renew Canadian acquaintances when it arrives in Canada in mid May.

The 1st Battalion, Royal Green Jackets will conduct training exercises at Camp Wainwright, Alberta, from mid-May to mid June.

The regiment, commanded by Lieutenant-Colonel F.E. Kitson, MBE, MC has recently returned from United Nations duty in Cyprus where it served alongside the 1st Battalion, Princess Patricia's Canadian Light Infantry and a squadron of the Fort Garry Horse from Calgary and the Black Watch Regiment of Canada.

Milk Control Act Creates New Agency

The Alberta Milk Control Act was amended at the Assembly so that a new agency could be created. Known as the Milk Control Board, this agency will have complete jurisdiction over all aspects of fluid milk control except that of establishing prices which will remain with the Public Utilities Board.

The need for a change in the Milk Control Act arose because

the Public Utilities Board wished to be relieved of regulating and enforcing fluid milk control. They wanted, however, to retain control over prices. The Utilities Board felt that the technological advances in milk transportation and refrigeration necessitate the updating of fluid milk control.

The objectives of the new Milk Control Board include the orderly production, processing and delivery of safe milk to the consumer. It has the responsibility of recommending changes in legislation to improve and safeguard all segments of the industry, and the authority to draw up new regulations and improve existing ones for the benefit of producers, processors, distributors and consumers. It can also establish new control areas if and when these become necessary.

Control of the fluid milk industry areas of the province has

Freezer Unit Ready for Summer Ice

Councillor Billy Rose reported at last week's Council meeting that indications point to a busy summer at the Centennial Civic Centre.

The figure skating school quota was reported to be almost filled and 100 boys had signed up by May 1st for the hockey school in late August.

The freezer unit has been checked out and is reported ready and capable of producing and maintaining the summer ice.

been the function of the Public Utilities Board since 1933. The main justification for milk control at that time was, and still is, the assurance of a continuous supply of safe milk for the consumer.

The amendment transfers responsibility for the Alberta Milk Control Act from the Department of Municipal Affairs to the Department of Agriculture. The Hon. H.A. Ruste, Minister of Agriculture, hopes to appoint the three-man Milk Control Board shortly.

FAMILY SHOPPING CENTRE

DRAYTON VALLEY, ALTA.

It was getting pretty late and Scout and I were getting ready for bed when it happened. Maybe you think it funny that I should call my Grandmother "Scout" but the name sort of fits her, a lot better than Grandmother or Granny, or anything like that. She has a very keen mind for her generation and she was sort of pioneer when she was a nurse way up in the Arctic. She's also very independent even though she's sort of a prisoner in her wheel chair and she does a lot of things you'd never think she could do. Like taking me in when my parents were killed in a car accident and her not too rich either. Anyway I'm almost finished school and as soon as I get a job I'm going to be able to pay her back a little.

As I was saying, it was almost midnight, later than usual, when we started getting ready for bed. I put up my hand to flip out the light in the kitchen, when there was a knock on the door. This surprised me a little because we don't have many visitors, especially at night because nobody lives right close to us and Scout's little house is way out at the edge of town. I looked at Scout and could see her eyes were open wide - not really scared but sort of alert.

Like a big dumb dumb I opened the door and the next thing I knew a man with a gun in his hand was standing in the kitchen. He was pretty big too, not tall but stocky. He was pretty rough looking and not very clean. His voice was rough too.

"Anybody else here?" I shook my head. Scout was very indignant.

"Who are you? What do you want? If it's money you've come to the wrong place because we haven't any."

Now I got a good look at him and he was a stranger to me which kind of surprised me because I know most people in and around town. But somehow he looked familiar too as if I had seen his face before, or a picture of it. Then suddenly I knew. The picture was in the evening paper and he was an escaped convict from the penitentiary about 50 miles away. There was something about dangerous and armed but I hadn't read it all through. All this scared me so much I had missed what he had said to Scout, but I heard her answer.

"We have only one taxi in this town and it's owned by a woman. I doubt if she will come out at this time of the night."

The criminal type seemed interested in this.

"A woman, that's better yet."

SCOUT

BY MRS. INEZ OSCAR

This is the story by Mrs. Oscar that won the W.I. Constituency short story contest.

Tell the girl to call her. Tell her it's urgent and fill up with gas 'cause it'll be a long ride. It's an emergency, I have to get to me poor old mother's bedside before she passes away." He smiles. "She'll come".

I was afraid he was right because I knew Joan McQueen and how much she needed the money. If I could only think of some way to warn her. My face must have had a pretty stubborn look on it for he waved the gun and almost shouted at Scout.

"Tell her to get on that phone and hurry it up".

Scout looked a little scared which isn't like her.

"Eileen, we have no choice. You'd better do it. You remember the number of the local constabulary, don't you?"

I was pretty startled at this and glanced at the man to see if he had caught it but apparently he hadn't because he just motioned again with the gun and took a step closer. I guess he wasn't very bright. Lucky I was able to remember the number. As I dialed I was saying to myself, "I hope Terry answers". (Terrence O'Donnel, the newest member of our local police is very intelligent - and also very good looking) I could hear it ringing but no one was answering. I began to perspire. At about the tenth ring I heard Terry's voice, and started to breathe again.

"Town Police"

"This is Eileen Dumont at the old Miller place on Hill Road. We have a man here who needs a taxi."

"Eileen, this is Terry O'Donnel of the town police."

I took a deep breath.

"Yes, Joan. This man wants a taxi. He says fill it up with gas because it will be a long ride." There was silence at the other end for a few seconds. Then Terry's voice again.

"Does he have a gun?"

"Yes"

"Are you and your grandmother alright?"

"Yes"

"Is he alone?"

"Yes, I have to hang up now."

The man with the gun was moving closer and I didn't want him to hear a man's voice on the line. But before I did hang up Terry

the door, don't put on the porch light and stay out of the way!"

I told the man that the taxi would be right over and tried to act nonchalant but felt pretty shaky inside.

The rest was easier than I thought. When this criminal opened to a knock on the back door, Terry walked in the front door with a gun in his hand. By this time I had Scout wheeled out of range. As I said before, this convict wasn't very bright, but he did know when to give up.

Terrence O'Donnel has invited me to the policemen's ball. He thinks I'm a very smart girl. Some day maybe I'll tell him that calling him was Scout's idea.

FALLIS NEWS

Congratulations to Mr. and Mrs. James Orchison from district friends on the occasion of their recent wedding anniversary.

Mrs. R. Noble had as recent weekend guests her son and daughter-in-law Mr. and Mrs. Dave Noble of Calgary. They also visited other relatives in the area.

A farm auction was held on May 3rd at the farm home of Mr. Edward White. It was reported the equipment and stock sold very well with a good crowd on hand. Ed and his mother, Mrs. Bailey have been residents of the Fallis district for quite a number of years and friends are hoping they will not move too far away. Mrs. Bailey has another son, Michael and a daughter, Mrs. M. Yakimovich living at Fallis also.

These two groups of marchers are still swinging along briskly after passing the five-mile check point in Saturday's Miles for Millions march.

EVANSBURG NEWS

Much rainy weather last week-end postponed most activities that had been planned for that time. The gymkhana work party was postponed until further notice and the 4-H Beef Club calf tour was postponed for a week.

The Ladies' Auxiliary held their regular meeting on the 7th.

The firemen held their regular meeting on the 7th. Results of the dinner - dance were heard and all were pleased at the success of the venture.

At the Cub Pack meeting held on the 8th, the boys were taken

on a hike to Mr. Tuke's place and fire lighting requirements were passed. The boys enjoyed weiners and toast.

The firemen have been busy burning off grassy places in the village. It should make everything look neater.

Children at both schools are to be seen busily practicing for the sports day to be held soon. The students are also planning on a fund raising walk to take place on the 17th.

Mr. Ed Tucker, son of Mr. and Mrs. B. Tucker of the Holly-

springs district and grandson of Mrs. Bessie Greaves of the village has left to take up post graduate study in plant genetics at the University of Quebec. Ed's wife, Lindis, who is a graduate in food science, and their son Joey, will join him as soon as accommodation can be found.

Several village and district folk attended the inter-church talent night held in the Entwistle Hall on the 2nd. It was very gratifying to see the hall filled with such a large crowd. Talent from churches at Edson, Seba Beach and Whitecourt was there to present entertainment.

This was my first visit to the Entwistle Hall since it has been redecorated. Congratulations to the organization who did such a fine job on the building.

This week, the one in our family to be hospitalized, is myself, for a few days.

Guaranteed Loans For Grain Drying

Alberta farmers who want a government guaranteed loan for drying grain should apply directly to a bank, treasury branch or credit union, says the Minister of Agriculture, Henry A. Ruste.

Under the terms of the regulations governing these loans the province guarantees all loans made by lending agencies for the purpose of drying grain. The maximum that can be borrowed is \$1,000, the interest rate is about 8.5 percent and the life of the loan can extend up to two years.

Regulations were passed earlier this spring by Order in Council to enable the government to guarantee loans to farmers for the purpose of drying grain only. It was felt that many farmers would have to borrow money for this purpose because of an apparent shortage of cash. The additional security provided by the government guarantee allows lending agencies to relax their credit restrictions.

Applications for government guaranteed loans will not be accepted after July 31st.

FASTBALL

ORGANIZATIONAL MEETING OF THE DRAYTON VALLEY MEN'S LEAGUE WILL BE HELD

AT 8:00 P.M. ON

THURSDAY, MAY 15th

WEED CHEMICALS

2,4-D Ester 128 oz. and M.C.P.A. Ester 80 oz. and others are being stocked and are again available for Eastern residents at "Millers Farm Supply" Stony Plain. Western residents may purchase and pick up at Daniel Schadeck, Tomahawk. Double "S" Farm Supply in Drayton Valley will serve farmers in that respective area.

WILLIAM MOELHOFF, Agricultural Fieldman, County of Parkland.

Town Council Briefs

At the last regular meeting of Town Council tenders for the purchase of the old town office building (Chiropractic Clinic) were opened and the bid of William Krysko accepted. Mr. Krysko's bid of \$670.00 was the highest of seven received.

Councillor Swendseid reported on the storm sewer outlet water drainage across Oscar Johnson's farm land north of town. Councillor Swendseid stated that the drainage way was to be cleared and a culvert installed by the town to provide Mr. Johnson with a crossing.

Council approved the Emergency Measures Organization's financial program for 1969-70 in the amount of \$550.

Councillor Smith, reporting for the Development Committee, suggested subdivision of Lots 1 and 2, Block 29 (west of Tasee Freez) into small industrial lots. Council approved the proposal and the secretary authorized to arrange for surveying of the parcel along with parcel to be purchased from J.R. Mackenzie for a new subdivision and park.

Council was advised that Acme Investments Ltd. appeared agreeable to granting an easement in the rear of Lots 5 and 6, Block 2 (between Royal Bank and I.G.A.) to provide access to developments on the property. Council authorized proceeding with arrangements to provide the easement.

Council authorized upward revision of the garbage contractors remuneration to \$1,000 per month, effective May 1st, 1969. Increased costs and a larger volume of pickups were recognized by Council in reaching a decision in this regard.

Many thousands of Western cattlemen who were unable to treat their nerars for warble grubs last autumn, due to unseasonably wet weather conditions and other factors, have resumed systemic insecticide treatment this spring. Two additional advantages in applying systemic insecticide at this time are: to destroy any grubs which were not killed by last autumn's treatment; and to destroy any lice that are present on the cattle prior to turning them onto range. Treatment with systemics for controlling lice can last for several months unless a carrier reinfests the herd.

BUCK CREEK NEWS

Mr. and Mrs. M. Whittaker arrived home from Victoria on May 6th with their new stock of honey bees.

Some of the ladies in the community played soft ball against the school children last Wednesday. The score was 25-23 for the kids. The next game between the two teams will be May 16th at 2:00 p.m.

The Girl Guides lead by Mrs. Sheila Maines, enjoyed a 15-mile hike last week, returning home with sore feet. They also joined in the Miles for Millions walk on Saturday, May 10th.

The Barbeque and Dance put on by the Community Club was

well attended, and everyone had a good time. The steaks and salads were delicious.

Congratulations to Mr. John Roos on his engagement to Miss Karen Parker of Nova Scotia. The wedding will take place in Edmonton on June 21st.

We are sorry to hear that Mrs. Evelyn Roos has been a patient in an Edmonton Hospital. We wish her a speedy recovery.

College girls are of two statagirls with dates and girls with data.

Vitamin A Deficiency In Farm Livestock

Is a Vitamin A deficiency responsible for the abortions, stillbirths and newborn calf deaths that have been investigated by Alberta's diagnostic laboratories during the last few months?

There is no clear-cut answer to this question, according to Dr. H. N. Harries, veterinarian in charge of the Lethbridge Laboratory. He says it is difficult to confirm or deny that this vitamin was the cause of death in the specimens examined at the laboratory.

Testing the fetal organs for a Vitamin A deficiency is unreliable because the fetus stores only a small amount of the vitamin, and even this small amount varies according to the type of vitamin fed to the cow. Only after ingesting Vitamin A rich colostrum from a well-fed mother does the calf build up its own reserves. Testing the cow's blood near calving time is also unreliable because the Vitamin A in the blood stream fluctuates during this period. The only sure way of gauging a herd's Vitamin A level, says Dr. Harries, would be to test liver samples taken from live cows, which, of course, is quite impractical.

He stresses that much of the uncertainty about the role played by a Vitamin A deficiency is abortions, still births and weak calves can be dispelled by feeding the recommended amount of this vitamin regularly during

the winter months. Then, if fetal or calf mortalities occur, the chances are that some other factor is involved.

A frequent pattern encountered by the staff at the Lethbridge diagnostic laboratory has been the early death of the first six or seven calves born and then no further losses. Although the cause is very hard to pinpoint, the apparently higher than usual mortality rate after the cold weather in January and February suggests that stress on the pregnant cow was a contributing factor, says Dr. Harries.

Taking a tranquilizer doesn't relax me; it just makes me enjoy being tense.
